Our Recruitment & Staffing Services

Local Talent Empowerment

Our extensive network within the local hospitality and tourism community, combined with our recruitment expertise, makes us the leader in providing the best local talent to support your business goals and operational needs.

Permanent Recruitment

Providing recruitment and executive search solutions is one of our major specializations. We offer quality and value by short-listing professionals with exceptional abilities that fit your business needs and understand the unique demands of the Kenyan hospitality sector.

Temporary Staffing Solutions

With our extensive knowledge and candidate network, we support you in filling gap requirements, covering staff on annual leave or maternity, or facilitating additional personnel for peak seasons and major events.

Bulk Hiring

We can assist you in hiring a large number of candidates in the shortest possible time, while ensuring the quality of talent needed in a cost-effective manner.

Outsourced Services

Whether you are a local boutique or a large enterprise, we support you with staff on a contract basis. We cater to all industry requirements by understanding your company's environment and the specific skills needed to place the right talent in your establishment.

Why Masai Hospitality Consultancy?

Expertise

Our recruitment consultants bring extensive industry experience and possess the qualifications to search for and shortlist candidates using time-tested methodologies to help you find the best hospitality talent.

Quality of Candidates

With our large database of candidates, we have the capability to provide you with the right talent who will fit in with both your organization and culture.

Time Saving

Our team of recruitment consultants uses their network, access to a vast talent database, and market intelligence to source qualified candidates, enabling an efficient and effective hiring experience.

Culture Driven

We build long-lasting relationships with our customers and understand how you work and what is important to you. We use this information to save time in the hiring process, ensuring that you hire the right talent that fits the culture, community, and needs of your organization.

Broad Industry Coverage

We work across a range of industry verticals and job levels, from entry-level positions to management and specialized roles.

Leave it to us to handle your recruitment needs while you focus on achieving your daily goals. We can support you with distinctive talent to add value to your hospitality establishment.
